The Free Ride Transit System will notify law enforcement of any disturbances on board or at Free Ride transit facilities. Some transit facilities and buses are equipped with video and/or video and audio surveillance technology.

All times are traffic and weather permitting.

Refer to the Free Ride Early Season Route Schedule effective November 10, 2012 for the other Free Ride Transit System routes. The full winter schedule will take effect on December 8, 2012. A combined winter schedule of all routes will be available at that time. We apologize for any inconvenience.

Thank you for riding with us!
