**Subject:** Walkable Main Street RESTAURANT BUSINESS Information - DEADLINE MAY 27

Dear Breckenridge Main Street Restaurant Owner,
By now you may have heard that Breckenridge Town Council is considering temporarily closing Main Street to vehicle traffic for a portion of this summer to add space for pedestrians to social distance and create a "walkable" Main Street. As part of this plan, we are first exploring the option for restaurants to expand their food and liquor service areas to pre-determined spaces on the street.

*Based on its Main Street address, your restaurant has been identified as a business that MAY qualify to expand service to the street during this limited period this summer.* We are writing to you today to gauge interest in street expansion for your business, and to start the process of temporarily modifying your liquor license if you are interested. There will be some additional fees associated with equipment rentals (see attached) and the modified liquor service permit ($150). Please see the attached FAQs document for more specific information about "Walkable Main Street" this summer.

We are looking for commitment to expand to the street space **BY MAY 27, 2020**. Please email helenc@townofbreckenridge.com or call (970) 547-3126 to confirm you would like to participate and to determine additional eligibility. After that date we will follow up with next steps in order to move forward by a mid-June start date as determined by Town Council. Qualifying businesses other than seated restaurants with Main Street addresses will be identified and contacted at a later date.

We look forward to hearing from you.
Helen Cospolich, CMC, Town Clerk
Town of Breckenridge Municipal Services
