BRECKENRIDGE

Recreation Department Reopening
Member Guidebook

May 2020

FIRSTLY

THANK YOU

FOR YOUR PATIENCE!

COVID-19 has challenged the Breckenridge community in many ways, including how to continue offering the outstanding recreational experiences for which we are known.

We are pleased to have provided access to our amazing outdoor amenities such as trails, ball fields, skate park, tennis courts, and golf course. But safely reopening indoor fitness spaces at the Rec Center, Ice Arena, and Tennis Center offers a different challenge. We embrace that challenge and look forward to welcoming patrons back into our fantastic facilities.

Our approach to successfully and safely reopen our facilities must be incremental, well-informed, and artfully executed. Our goal is to help protect customers and staff members from viral transmission while also increasing public access to our fitness facilities. In developing this reopening plan, we have incorporated the best available guidance and practices from the Centers for Disease Control, the Colorado Governor's office, Summit County Public Health, Colorado Parks and Recreation Association, and other industry associations. We will adapt our operational approach as new and additional information becomes available.

This guidebook describes the next steps in our community's effort to safely "reopen" our indoor facilities and programs to the community. In each step, we plan to start small and expand access as new processes are implemented and proven successful. This incremental, adaptive approach is the cornerstone of the plan.

Scott Reid

Director of Recreation

WE BUILD

EXPERIENCES

Our reopening will occur in phases. The following is an overview of Phase I-Initial Reopening. Initial Reopening provides the following opportunities for our members and the community:

- Outdoor recreation areas remain open, including trails, recpaths, tennis courts, skate park, turf field, & ball fields.
- The Recreation Center will open to current members and passholders only, with online symptom check-in required for entry.
- Physical distancing and face coverings/masks are required for both employees and patrons. The covering/mask must cover your nose and mouth at all times.
- Bring your own mask. We will not be providing masks and without one, you may not enter the building.
- Access to the Rec Center will be by reservation only with limited hours. Reservations and maximum numbers extend to specific rooms and amenities within the facility. Limit one reservation per person per day. Reservations may be made at <https://www.picktime.com/BRECKENRIDGEREC>.
- Personal training and physical therapy services will continue.
- Limited online virtual fitness classes will be offered.
- Limited child care and summer camps will be offered per Colorado and Summit County guidelines.
- Indoor courts at the Tennis Center will open via normal reservation process with mask and distancing protocols.
- Aquatics area will open for laps swimming only and by reservation only; <https://www.picktime.com/BRECKENRIDGEREC>
- Locker rooms and shower facilities will remain closed. Swimmers will need to plan accordingly. The hot tubs, steam room, sauna, leisure pool and slide will remain closed.
- Lobby gathering spaces will also be closed.

PHASE I: WHAT TO EXPECT

INITIAL REOPENING

With a focus on health and wellness, our processes have changed for members to access our recreation facilities. Initial reopening of the Recreation Center and Tennis Center will require the following:

Membership

Access to the Recreation Center will be to current passholders only. Current passholders will show as suspended in their account until July 1. You must have a current membership and will need to reserve a time and space online to enter. No walk-ins will be accepted. Tennis court reservations will continue as normal online.

Face Covering

Per Summit County public health order and the Town of Breckenridge temporary ordinance, all patrons must wear a face covering when in indoor areas open to the public.

Additional Cleaning Measures & Requirements

In addition to nightly comprehensive cleanings, we will be closed midday (12:45pm-2:45pm) to perform supplemental cleaning. Hand sanitizer will be available throughout the facility. Upon arrival, all members will be issued a small towel and individual spray bottle to wipe down equipment before and after use. The towel and spray bottle will be returned upon exit and will be sanitized.

Online Symptom Check

An online self-reporting symptom check-in will be required for all patrons prior to entering the facility. Members will be required to check-in, in advance, online and indicate if they do or do not have any symptoms of COVID-19. Click here to complete:

<https://arcg.is/umbDy>

Physical Distancing

Patrons are asked to do their part to maintain 6 feet of physical distancing (aka "social distancing") at all times with other guests and staff.

Revised Hours & Advance Reservations

Members will be able to reserve a time and space up to one week in advance via <https://www.picktime.com/BRECKENRIDGEREC>. The Recreation Center will be open Monday-Friday from 7am-7pm. The Tennis Center will be open Monday-Friday 9am-7pm.

PLEASE NOTE: Locker rooms and showers will be closed and not available for use. Swimmers will need to plan accordingly. There are limited "dry" changing rooms available.

A PREVIEW OF

PHASES 2 & 3

LOOKING FORWARD TO THE FUTURE:

PHASE 2 - LEARNING AND EXPANDING

- The Ice Arena opens with limited usage.
- The Recreation Center expands access to more fitness equipment, adds additional facility hours, or reduces patron limits, based on outcomes of Phase 1.
- The Recreation Center offers some indoor, in-person fitness classes with a limited number of participants.
- Other recreational opportunities are expanded as permitted by public health

PHASE 3 - A NEW NORMAL

- Indoor group activities expanded with more classes and participants.
- Facility hours are expanded further and reservation bookings are no longer required.
- Shower facilities, locker rooms, hot tubs, steam room, and sauna reopened for use.
- Facility access is expanded further.

ICE ARENA

We hope to reopen the Stephen C. West Ice Arena in early July. This is dependent upon state and county health regulations. Initial opening will likely require online reservation.

FITNESS CLASSES

In Phase 2, as we learn together, we will begin offering member fitness classes. Class sizes will be smaller than in the past to ensure physical distancing and classes will be held in larger spaces, such as the gymnasium and outdoors.

LOCKER ROOMS

In Phases 1 and 2, the locker rooms and showers at the Recreation Center, Ice Arena and Tennis Center will remain closed. As we move into Phase 3 in the upcoming months, we plan to reopen locker rooms and showers.

A woman with blonde hair, wearing a black tank top, is smiling broadly and raising her right arm. She is in a group setting, with other people visible in the background, some also raising their arms. The background is slightly blurred, suggesting an indoor activity or class.

CODE OF CONDUCT

YOUR PROMISE TO OTHERS - AND OUR PROMISE TO YOU

IN ADDITION TO OUR NORMAL RULES OF CONDUCT, MEMBERS WILL BE REQUIRED TO ABIDE BY THE FOLLOWING:

In keeping our promise to you, members who do not keep their promise to others will lose their reservation privileges:

- Members will be expected to wear a face mask, practice physical distancing and adhere to all staff requests while in our facilities/programs. Members are required to complete the online health screening an hour before entry.
- Members will need to wait to check in at their reserved time and will be required to clear the building at the conclusion of their time slot, so that the next group of members may be admitted.
- There will be one door designated for entry and a different door for exit.
- Each member will be given a sanitized towel and individual bottle of sanitizer to wipe down equipment before and after use. Towels and sanitizer must be returned upon exit.

COMMUNICATION

How To Stay Connected

We are here to serve you and rebuild our recreational offerings in a safe and effective manner during this difficult time. We are working diligently to discover new and creative ways to meet your needs.

NEW LANDING PAGE ON WEBSITE

When you visit our website at www.breckenridgerecreation.com, you will now notice a banner at the top that says "Reopening Information". Please click there to see all the information we have relative to the availability and reopening of our programs and information.

HAVE A QUESTION?

We have an answer! Email us at websiterec@townofbreckenridge.com and we will get back to you as soon as possible!

EMAIL BLASTS

We communicate with our members through email blasts. Please log into your Active online account and check that your email address is current. Please look for regular emails from us as we have information to share on reopening or additional programs or amenities.

SOCIAL MEDIA

From time to time, we will post information on our department Facebook page. However, the website is our main communication point and where you should go to find information. Click www.BreckenridgeRecreation.com.

RECREATION PROGRAMS

For our members and the community, we know that our recreation programs are an important part of your lifestyle.

We are working diligently to adapt our programs, classes and activities to adhere to public health restrictions and best practices to reduce the spread of COVID-19.

We are offering limited summer camps to serve our local community. Information on current camps and availability is located at www.BreckenridgeRecreation.com

These programs do have new requirements for participants and employees such as being symptom free, hand washing requirements and wearing face masks.

Due to the one-to-one nature of personal training, we are also able to offer personal training sessions. Please contact kellyg@townofbreckenridge.com if are interested in working with one of our personal trainers.

Many of our other popular programs, such as water aerobics, fitness classes, tennis clinics and specialty classes are currently on hold during Phase 1. We are currently considering adapting these programs for Phase 2, with programs being offered online, outside or in smaller group settings. Please keep checking www.BreckenridgeRecreation.com for updated information.

A CHECKLIST TO GET YOU STARTED

1

CHECK YOUR ACTIVE MEMBERSHIP ONLINE

Login at <https://apm.activecommunities.com/breckenridgerec/ActiveNet>Login> and ensure your contact email is current.

2

RESERVE YOUR DAY AND TIME TO VISIT

Visit <https://www.picktime.com/BRECKENRIDGEREC> to pick an available day and time to visit, up to one week in advance. Each week the reservation system will update on Monday with additional dates. Members will only be able to access the area that they reserved.

3

PREPARE FOR YOUR VISIT

Complete your online symptom check-in within one hour of your arrival time. Click here to complete the check: <https://arcg.is/umbDy>. Make sure you have your face mask and member ID card. You'll need to be dressed in your workout attire, as locker rooms and showers are not open.

4

ARRIVE A FEW MINUTES EARLY

You'll need to physically distance while waiting to enter. This is a good time to login on your mobile phone and complete the symptom check-in if you forgot to do this earlier. You will need to have a smart phone to do this on your mobile device.

5

FINISH YOUR WORKOUT BY WIPING DOWN ALL EQUIPMENT USED

While we do regular and mid-day cleaning, it is important that you wipe down equipment after use.

6

EXIT THROUGH THE DESIGNATED DOOR

Be prepared to return your towel and individual sanitizing spray bottle that you were given upon entry.
