Unmanned Aircraft Systems Permit Application - Annual Permit

No person shall launch or land a UAS from any real property owned by the Town without a permit issued pursuant to these Regulations.

Annual Permits are designed for operators who conduct numerous substantially similar flights over the course of a year.

An application for a permit shall be filed with the Assistant Town Manager not less than 7 days nor more than one year before the proposed UAS flight is to begin. The Assistant Town Manager **MAY** waive this minimum filing period.

Name: _____

Address: _____

E-mail: _____

Phone Number: _____

Driver's License Number: _____

Or other form of valid, government-issued identification: _____

Type of UAS: _____

Make of UAS: _____

Model of UAS: _____

Dimensions of UAS: _____

Total Weight of UAS, including payload: _____

A Digital Photography of the UAS must be submitted with application.

Federal Aviation Administration (FAA) registration number of the UAS: _____

Location of Take Off for the UAS: _____

Description of Flight or Type of Flight to be Flown: _____

Location of Landing for the UAS: _____

What payload, if any, will be attached to the UAS: _____

Dates and times of all known potential flights: _____

Reason for conducting the UAS flight at this particular location: _____

A copy of Applicant's General Liability Insurance must be submitted with application.

Please initial that you understand the following as the applicant:

_____ Applicant agrees to notify the Assistant Town Manager of the date(s) and time(s) of all flights at least 48 hours prior to flying a UAS. The Assistant Town Manager **MAY** accept dates and times with less than 48 hours notice and in those cases would provide a decision on a permit no later than the date/time of the proposed flight.

_____ Applicant must have full force and effect a policy or policies of general liability insurance covering the proposed UAS flight(s) with minimum combined single limits of not less than One Million Dollars (\$1,000,000). The Town shall be named as an additional insured under such insurance policy.

_____ Such insurance shall remain in full force throughout the entirety of the UAS flight(s) for which the permit is issued.

_____ If the permit was to be granted and then term of the permittee's required general liability insurance policy expires or otherwise terminates during the term of the Annual Permit, or if the permittee loses such insurance coverage for any reason during the term of the Annual Permit, the permittee shall not fly the permittee's UAS within the Town pursuant to the Annual Permit until the permittee has:

- renewed the insurance policy, or obtained a replacement insurance policy that meets the requirements listed above and has a term extending at least until the end of the term of the Annual Permit
- provided the Assistant Town Manager with notice of the renewed or replacement insurance policy.

_____ Applicant agrees to the community-based set of safety guidelines and within the programming of a nationwide community-based organization.

_____ Applicant agree to provide proof of any required FAA authorization and/or exemption if the applicant proposes a commercial use of a UAS pursuant to the permit for which the application is being filed.

_____ Applicant has obtained the necessary Town of Breckenridge Business license (if applicable).

Type your name here if you are submitting this form electronically. By signing or typing name below, applicant agrees to all requirements listed above.

By signing my name below, I certify that the all of the above information is true and correct to the best of my knowledge, including all attachments to the application. My signature also certifies my understanding of and agreement with the above policies.
